PRESIDENT'S MESSAGE

CAPT Dan McCort, USN (Ret) President, Pensacola Navy League

Published Quarterly

Greetings to all. With summer now in full swing, I hope that you are getting out to enjoy the emerald waters and snow white beaches that make Pensacola famous.

The Navy League National Charter includes the following language: **“The Navy League of the United States, founded in 1902 with the support of President Theodore Roosevelt, is a nonprofit civilian, educational and advocacy organization that supports and recognizes America’s sea services: the Navy, Marine Corps, Coast Guard and U.S.-flag Merchant Marine.”**

To that end, the second quarter of this year has been focused on our mission statement with special emphasis on supporting and recognizing our local Sea Service and military personnel. On April 25th we hosted the Enlisted Recognition Breakfast at Seville Quarter’s Heritage Hall. That event, spearheaded by CAPT Bill Cuilik, USN (Ret) and CMDCM Mark Curley, USN (Ret) recognized a record thirty-five recipients from virtually every command in our area. The Key Note speaker was our own NAS Pensacola, CMDCM Mario Rivers USN. In his remarks CMDCM Rivers, through poignant personal stories and challenging leadership examples, exhorted all toward constant personal improvement and “dedication to the Command over self.”

Also in April, the USCG Cutter *DECISIVE* returned from an active and successful patrol to the delight of their families and friends. Of note, many in the enthusiastic crowd on the pier were displaying “Welcome Home” banners made during a Navy League sponsored banner-making party at the Pensacola Light House.

Following closely on the heels of our Enlisted Appreciation Breakfast the Military Spouse Appreciation Luncheon was held May 22nd at New World Landing. An incredible group of talented and dedicated spouses were presented with plaques and well deserved gift baskets. I wish that you all could have been there to see the smiles that resulted from just a little bit of personal recognition for the often heroic efforts required to keep the “home fires burning” by these amazing Spouses. Enjoining them all to “fill their Boat with support from every possible resource” was guest speaker Jennifer Kinsella. Jennifer’s sage and solid advice resonated with all as she drew on stories of personal challenge and multiple relocation moves that come with being the spouse of a military service member. A personal thanks here to Jennifer for taking time out of her busy schedule to address such a deserving and important group and infusing them with new ideas to make life at home just a little easier. Thanks also to our very own Mistress of Ceremonies, Sue Straughn whose support we have come to cherish and appreciate. And not to be forgotten, Thanks to CMSgt Harry White, USAF (Ret) and his hard working Committee for their tireless and dedicated effort to make this event so special.

June brought additional opportunities for our membership to remain actively engaged with our local Sea Services. First the USCG Cutter *DAUNTLESS* returned from a very successful patrol and was greeted on the pier by a Pensacola Navy League contingent and some very happy *DAUNTLESS* friends and family members. Next the Pensacola Navy League Admiral’s Club hosted a “Meet the Boss” Luncheon at the Pensacola Yacht Club. The guest speaker was NAS Pensacola’s newly installed Commanding Officer, CAPT Tim Kinsella, USN. Skipper Kinsella presented the attendees with a thorough and informative picture of current and future operations at the base. Closing out the month, the USCG *DAUNTLESS* conducted a Change of Command at which CDR Timothy Sommella, USCG was relieved by CDR Paul McConnell, USCG. We congratulate Skipper Sommella for an exceptionally successful tour and wish him every success as he heads off to “War College” up in Newport. We “Welcome” Skipper McConnell and look forward to maintaining our close relationship with *DAUNTLESS* and her crew.

Finally in June, the Navy League held its annual National Convention in Norfolk, VA. I traveled to Norfolk for the convention and was joined by fellow Pensacola Navy League members Mike Dollen (Area President), Mark Harden (National Director), Nanci Pruter (National Director) and Tom Pruter (National Vice President). The Convention was very well attended and offered some truly exceptional presentations covering the full range of our Navy League Charter. I will be passing on some of the information gained from those presentations in future Bullhorn publications. Of particular note, however, is that National Navy League President, Alan Kaplan completed his term and was succeeded as President by William Stevenson, III.

I will close with an encouragement to read the article concerning our local Sea Cadet Squadron. Our Sea Cadet Squadron under the able leadership of CWO4 Kevin Schneider, USN and enthusiastically supported by our Board of Director representative, Jim Crumlsh is actively engaged in some very exciting projects. This is one busy and involved Squadron! Your Pensacola Navy League fully supports our Sea Cadets at every opportunity. I will also strongly encourage the entire membership to join us at the upcoming Membership Social on August 22nd. At that event, we will be recognizing our local USCG Units and providing an update on the *USS Tripoli (LHA-7)* Commissioning schedule. And as this is a Membership Social, be sure to bring a prospective member. Stand by for more information concerning this event. Lastly and as always a very special Thanks to our generous Corporate Sponsors; Navy Federal Credit Union and Pen Air Federal Credit Union. They allow us to be the active and engaged Council that we are.

Until next time. May God Bless.

Heroes Among Us Series

By Ed Rouse

The Cpl. J.R. Spears Detachment of the Marine Corps League's annual Heroes Among Us speaker series, held May 30th at Veterans Park featured Medal of Honor recipient, CWO4 Hershel "Woody" Williams, USMC.

After World War II, Williams accepted a job as a Veterans Affairs counselor and retired with thirty-three years' service. Williams struggled with the after-effects of combat stress until 1962, when he experienced a religious renewal. He later served for 35 years as chaplain of the Congressional Medal of Honor Society.

In 2010, the non-profit Hershel "Woody" Williams Congressional Medal of Honor Education Foundation, Inc., was established to honor Gold Star Families, relatives, and Gold Star Children who have sacrificed a loved one in

the service of their country. Williams currently serves on the Foundation's Founders Advisory Board and he is the last living Marine Corps Medal of Honor recipient from World War II.

The next Heroes Among Us speaker series will be held August 29th, featuring LT Col Andrew Del Gaudio, USMC (Ret), who will speak about the War on Terror. For more information on the HAU monthly speaker series, contact Ed Rouse at rousecpa@bellsouth.net.
